## GEMINI M RIGHT

SMALL AND SMART ...

Interpretation of a horizontally pronounced, modular sofa with carefully chosen proportions, elevated comfort and no decorative frills Gemini A is a corner sofa that can change the direction depending on the requirements of the space still keeping its pure form.

It is built out of two tree-seaters fixed with a back support construction, five pillows designed in that way to give a minimalistic sense of the sofa and an ottoman that can be used as a footstool or a table. The changeable part of the sofa is that one single bed that is rotating around the other single bed which it's the fixed part of the sofa. Together they make a double bed or two separate beds with an ottoman between them always consistent of a supreme comfort.
